With the ratification of the 18th Amendment, and Congress the Volstead Act (over President Woodrow Wilson's veto) which banned the manufacture, transportation and sale of intoxicating liquors, Prohibition in the US went into effect on January 17, 1920 and lasted until December 5, 1933. During this time, speakeasies popped up across the country... including one right here in the basement of Wolf Creek Tavern. Stop down to Vern's Speakeasy and enjoy our special piece of history as you sip on a prohibition style cocktail!
