WOLF CREEK TAVERN

EST. 1840

...Nestled on the second floor of our cozy tavern you'll find our three uniquely charming banquet rooms. Once upon a time these rooms, rich with anecdotes of bygone days, served as shelter for weary travelers and provided discreet refuge for speakeasy patrons wishing to indulge in nefarious entertainments with the bawdy, resident filles de joie. Today epic tales continue to play out as families and friends gather to share in Weddings, Rehearsal Dinners, Showers, Company Events, Family Gatherings, Holiday Parties, Birthdays & More... We hope you will add your extraordinary story to the ongoing, legacy of the historic Wolf Creek Tavern...
